- Motorized chairs with fully integrated footrest for full body support
- Standard mechanism with motorized movement of back, leg and headrest angle. 3 motors, individually operated by a remote control
- Slim, wired remote control with HOME function always close at hand, attached by a magnet at the armrest
- Synchronized Plus™ system for superior support at your head and lower back, with individual adjustments of back, head and footrest
- Side panels and round base in laminated beech with a walnut veneer
- Generous chairs in one size, suitable for persons from 165-190 cm (5'5"-6'3")
- Armrests follow the movement of the back, offering good support at the arms in all positions and avoids a gap on the side when reclined
- Manual height adjustable headrests
